It's all over

Zayn Malik & Perrie Edwards

After four years together, the perfect pop pairing formerly known as #Zerrie has sadly come to an end. Zayn, 22, dumped fiancée Perrie, also 22, by text as she celebrated Little Mix's first No 1 single with Black Magic. And to make matters worse, the former One Direction star hasn't spoken a word to her since sending the devastating message three weeks ago.

Despite Zayn confessing his love for Perrie online immediately after leaving 1D in March – and buying a £3 million mansion with her – Perrie's 'devastated' that he's ditched her after he signed a huge solo record deal and headed to America. Since the news broke, Perrie's been attempting to get on with life with her bandmate bezzies by her side – while Zayn's been pictured partying around Hollywood, allegedly inviting US models back to his LA pad, and following Khloé Kardashian and Kylie Jenner on Twitter. Why Zayn, why?

Newly single Zayn hit the LA party scene...

...while a more subdued Perrie stepped out without her engagement ring

Zoëy Deschanel & Jacob Pechenik

Not only did New Girl star Zoëy, 35, secretly give birth to a baby girl last month, she also secretly got married to Jacob, 42! All further details are still being kept, er, secret.

Casey Batchelor & Jonathan Joseph

After crushing on rugby hunk Jonathan, 24, Casey, 30, was disappointed to find he's already taken.

Suranne Jones & Laurence Akers

Congrats to Suranne, 36, who's married magazine editor Laurence, 46. They got engaged just six weeks after their first date in 2014.

Robin Thicke & April Love Geary

It seems there've been some more Blurred Lines for Robin, 38, who's shot down rumours he's engaged to his 20-year-old girlfriend April.

Cooling off

Game, set, match!

Andy Murray & Kim Sears

After marrying in April, tennis champ Andy, 28, and wife Kim, 27, have announced there'll be a new addition taking centre court in their life in the near future. The couple shared their happy news after Kim's 12-week scan and are said to be 'overjoyed'. The baby's thought to be due in February.

'I am NOT divorcing my Queen!'

Will Smith & Jada Pinkett Smith

Will, 46, took to Facebook to slam the 'dumb, redundant' rumours that he and Jada, 43, are splitting, writing: 'If I ever decide to divorce my Queen – I SWEAR I'll tell you myself.'

Pig mistake, Kermie

Kermit & Miss Piggy

In the biggest showbiz shock split ever, Kermit and Miss Piggy have decided to go their separate ways. After first getting together in the 1970s, Kermit posted an emotional statement online informing fans they've 'terminated their romantic relationship' – and shock, horror, Kermit is now dating Debbie The Pig instead. What a cad!

STEPHEN BEAR, 25

'MY HEAD IS FULL OF PAIN'

Katie Price begs psychiatrist

After nearly 20 years in the spotlight, Katie Price is still the most controversial and talked-about woman in Britain. Despite living out the highs and lows of her tumultuous life in the spotlight, the mum of five has never seemed affected by the constant attention – until now...

Now she's been given the first look at an explosive new Channel 5 documentary that reveals the 37-year-old's raw and emotional therapy sessions with one of the UK's leading psychiatrists specialising in women's mental health. Nothing is off limits – from Katie's disastrous relationships to the daily struggles she faces looking after her disabled son Harvey.

Speaking to psychiatrist Dr Claudia Bernat,

a consultant for celebrity recovery centre The Priory, Katie says: 'My head is full of hurt and pain,' and reveals:

- Her horror at being photographed by a paedophile when she was just 13.
- The real reason ex-husband Peter Andre left her.
- That she wishes former best friend Jane Pountney, who had an affair with her husband Kieran Hayler, would die.

'PETE AND I IDOLISED EACH OTHER'

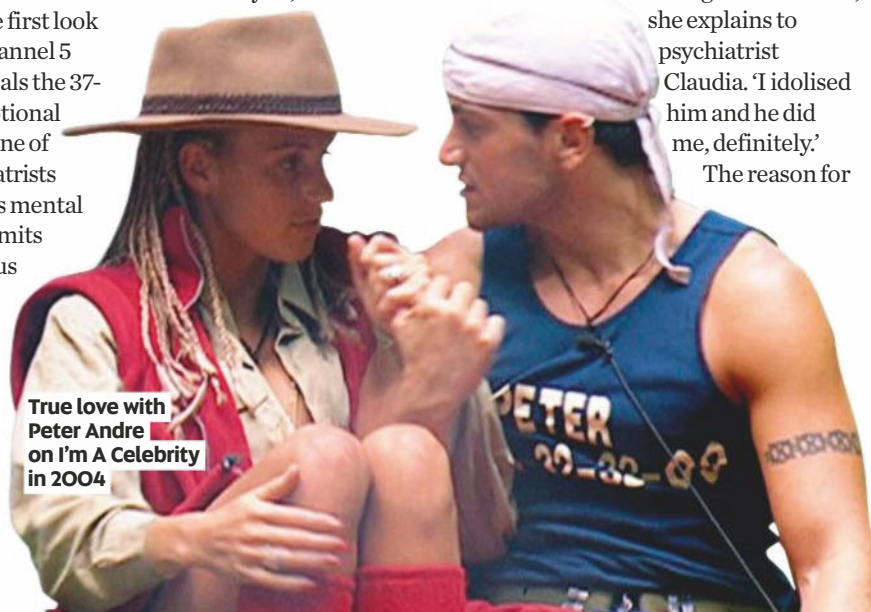

Katie famously met Peter Andre when they both took part in *I'm A Celebrity – Get Me Out Of Here!* in 2004. The pair married a year later and had two children, Junior, now 10, and Princess, now eight. It's clear Katie's never got over the shock of their fairytale romance ending.

'I thought that we could have been together for ever', she explains to psychiatrist Claudia. 'I idolised him and he did me, definitely.'

The reason for

their shock split four years later has never been revealed, with Pete claiming: 'Something big happened, which I won't reveal.' But Katie tells Claudia: 'He thought that something was going on with me and my horse trainer [Andrew Gould] and I always said nothing was going on with my horse trainer.'

'I loved Pete. I'd have never have done anything behind his

back or anything like that.' Andrew also denied that he and Katie were ever anything more than friends.

Katie and Peter have been embroiled in a bitter court battle since 2012, with Katie seeking damages from Pete, 42, and her former manager Claire Powell, claiming they leaked details of her private life to the press – a claim they both deny.

'I'D BE HAPPY IF JANE DIED IN A CAR CRASH'

In 2012, just two months after she ended her engagement to Leandro Penna, Katie fell head-over-heels for former stripper Kieran Hayler, 28. 'From day one of meeting him, five weeks later I was pregnant and married to him. It felt right – I'm a sucker for love,' gushes Katie, who has two children with Kieran, Jett, two, and Bunny, one. But while the couple holidayed in Cape Verde last year with friends, Katie caught Kieran kissing her best friend of 20 years Jane Pountney, later discovering they'd been having a 10-month affair.

In the gripping documentary, Katie makes her most shocking revelation ever about how she really feels about the woman who slept with her husband. 'I know this is harsh to say, but if Jane could die in a car crash or she could get an illness to make her

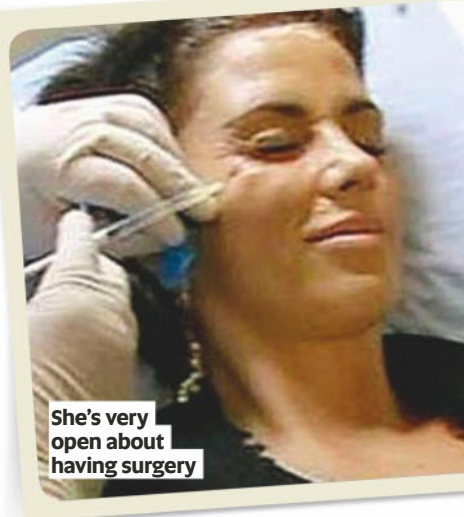

suffer and she'd die from it, I'd be a very happy woman,' she says. 'I knew she fancied him. When I caught them, it was like two people had been murdered.'

Struggling to hold back the tears, an emotional Katie breaks down and describes the pain she still feels over a year later, admitting she thinks about the affair 'every single day. It tortures me'. She and Kieran are now back on track, renewing their vows in February after Kieran underwent an intense 12-week sex therapy programme to mend their marriage.

'I THOUGHT A BODY WITH NO BOOBS WAS UNATTRACTIVE'

Katie first made a name for herself as Page 3 girl 'Jordan', with natural 32B breasts, but as soon as she turned 18 she had her first boob job, going to a 32D – despite a poll that saw 92 per cent vote in favour of her staying natural. 'A body – for me at the time – with no boobs, wasn't attractive,' reveals Katie. 'Everyone said don't do it, but I didn't give a shit – it was what I wanted.'

After seven further breast operations – with one surgeon jokily threatening to shoot her if she came back to him for any more – Katie peaked at a size

She's very open about having surgery

32GG. Earlier this year she had her implants removed and is now back to a B-cup, but has said she won't rule out another boob job.

Katie's always been open about her facial enhancements, despite being subjected to harsh criticism for it. Rather than

THEY SAY: "LOOK AT YOUR FAT KID"

ignoring the attacks, she admits they spurred her on to have even *more* surgery.

She reveals: 'One magazine pointed out a photo of my face saying: "Oh look,

she obviously hasn't had filler here for a while," absolutely slating my face because it's the most natural I've ever been. So I thought: "F*** it, I'm gonna have filler and my lips and do it all again. I'm gonna flip reverse it and see what you've got to say about that." Either way I can't win. It's a toll.'

❖ 'I DON'T WANT TO BE A FAILURE AS A MUM'

Katie's short-lived relationship with footballer Dwight Yorke in 2001 resulted in the birth of her first child Harvey, now 13. Born in 2002 with partial blindness as well as autism and Prader-Willi syndrome, which means he can't control his appetite, Katie faces an ongoing struggle caring for her son. She admits her biggest fear is being a bad mum.

"Take everything else out of the equation – take my job out, take the men out, take all my other kids out – just me and Harvey on his own is a challenge. It's full-on – people don't realise," says Katie, breaking down in tears to Claudia. "People say stuff about Harvey like: "Look at your fat, black, dribbling kid." Things like that piss me off. I want to write back, but I have to hold my breath."

Talking about the possibility of using respite care – where parents are given a break away from caring for a disabled child – Katie sobs, revealing: "I still won't do respite with him because I don't want to feel like I'm letting him down by letting him go while I go and have fun with the others. I don't want to be a failure."

She was briefly engaged to Leandro Penna

PHOTOGRAPHED BY A PAEDOPHILE

Katie began modelling aged just 13 and says she quickly suffered her first ordeal when one of her photographers turned out to be a convicted paedophile, insisting he photograph her in her underwear.

LOSES VIRGINITY TO A CRIMINAL

Maintaining that she didn't want to lose her virginity until she was 16, Katie reveals she first had sex on her 16th birthday with her then boyfriend Jeff Bloch, who was 10 years her senior and had a criminal record for not paying fines. She says the intense relationship and Jeff's possessiveness became terrifying. "He'd cut up my clothes," she reveals. Jeff has previously admitted 'slapping and punching' her.

ON HER EX ALEX'S CROSS-DRESSING

Just two months after her split from Pete in 2009, Katie met cross-dresser Alex Reid, 40, at a party and married him in February 2010. Speaking out about their split, Katie says: "I don't want to be with a man who wants to be a woman. It's so extreme, the things that I had to do to him and the situations. I can't have my kids around all that."

'I'LL KEEP HAVING CHILDREN UNTIL THE DOCTORS SAY STOP'

She already has five children, but even that's not enough for Katie. Questioning her normality, she tells Claudia: "I know I haven't had enough children yet, so I'm gonna keep going 'til the doctor says: "No more." Then I'd want a surrogate." Katie also says she loves "the fact they [the children] rely on me."

After opening her heart to Claudia, the psychiatrist concludes: "I really, truly hope that she works on her soul so she can find a safe, private place for herself because I think that's what she strives for and deserves."

Katie Price: In Therapy is on Channel 5 at 9pm on 21 August

Proud mum with son Harvey

'I haven't had enough children yet,' says Katie

Katie also speaks about how torn she feels at times, admitting: "Junior wants me to watch him play football on a Sunday, but he understands that I can't because Harvey doesn't wanna go. And I can't make him go because he'll smash the car up and if I'm driving he'll just go for it. But then I don't want to leave Harvey with someone."

'I DON'T KNOW IF PEOPLE ARE WITH ME FOR MY MONEY'

With her brand worth an estimated £45 million, Katie's men – including husband Kieran – have been accused of using the wealthy businesswoman

for her burgeoning bank account. Even Katie herself has doubts about her partners' motivations, which she reveals in the documentary.

"I don't know if people are with me because of money or are they with me for me. I'm 37, I've been married three times, I've got five kids by three different guys – if I put that on a dating site, would anyone really come back? No, they wouldn't. Now let me add: "A nice big house and nice cars," and also: "She earns money, she can look after herself, she pays for her own kids, she doesn't want any money from you at all..." "F*** yeah, I'm interested in her now."

Jen & Justin's wedding secrets

Now has all the details of the big day!

Crack open the champers and hang up the bunting because Jennifer Aniston is a married woman! The former *Friends* star, 46, has been engaged to actor Justin Theroux, 44, for three years, but after being plagued with 'will they, won't they' rumours during that time, the pair finally tied the knot last week at a super-secret do in the garden of their home.

A source revealed: "They exchanged vows in front of more than 70 family members and friends on Wednesday at their £14 million Bel Air house." It's the event we've all been waiting for – and we've got *all* the surprise details of their do, which sources say 'was done completely on the sly'.

THE CEREMONY

An insider reveals: 'It was very simple and intimate with their closest friends. There were lots of laughs as well as tears and the mood was happy and light.'

The couple exchanged rings made by jewellery designer

Jennifer Meyer, who's married to actor Tobey Maguire, while celebrity hairdresser Chris McMillan, who created 'the Rachel' cut, was responsible for Jen's bridal hairdo. For the

reception, tables with white cloths were laid out in the couple's garden, along with a marquee. Celebrations lasted until 3am, with Sam Ronson DJing and Aussie singer Sia serenading the newlyweds with her hit *Chandelier*.

'THEY SAID IT WAS JUST A PARTY'

'IT WAS VERY SIMPLE & INTIMATE'

THE GUESTS

Among those who watched the couple exchange vows and a kiss were long-time friend Courteney Cox – who was Jen's maid of honour and reportedly the last to leave the do – and Justin's tattoo artist Scott Campbell, who was his best man. Other guests – who all thought they were there for

Justin's birthday party – included Jen's pal Cheslea Handler, her *Friends* co-star Lisa Kudrow, Ellen DeGeneres and her wife Portia De Rossi, Emily Blunt and husband John Krasinski, Jason Bateman and Robert Downey Jr.

THE DRESS

Jen's thought to have opted for a floaty white summery number believed to have been designed by Saint Laurent.

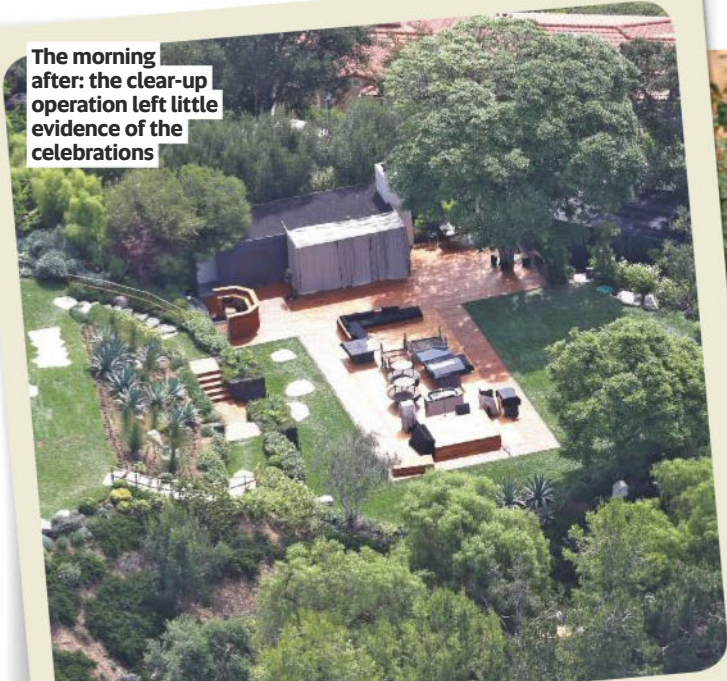

THE FOOD

Guests tucked into chicken, fish, sausage and fettucine carbonara. The vanilla and strawberry wedding cake was topped with two Muppet-like caricatures of the couple – aww.

THE HONEYMOON

The couple headed to the Tahitian island of Bora Bora, where they were expected to stay at the luxury Four Seasons resort – along with a group of friends.

The morning after: the clear-up operation left little evidence of the celebrations

Cheryl & Simon CLOSER THAN EVER

Helping Simon through the dark days after his mum died has healed the rift between the X Factor judges

Cheryl Fernandez-Versini and Simon Cowell might have had an up and down relationship in the past but these days they're closer than ever. The sad death of Simon's beloved mum Julie last month had a profound effect on the music mogul, who admitted in a statement that he was 'heartbroken' about her passing – and his loss also appears to have brought him closer to Cheryl.

Simon, 55, bravely returned to work on The X Factor just a few

days after Julie died and Cheryl, 32, admits that the dynamic between them has slightly changed since. 'Me and Simon are still rowing, but it's playful. He knows which buttons to

press,' she's revealed.

'But it's been a different circumstance this last couple of weeks, unfortunately, so it's been more banter than bickering.

I love him dearly. I have a huge amount of respect for him and it's growing at the moment.'

Julie's death also affected Cheryl's relationship with former X Factor judge Louis

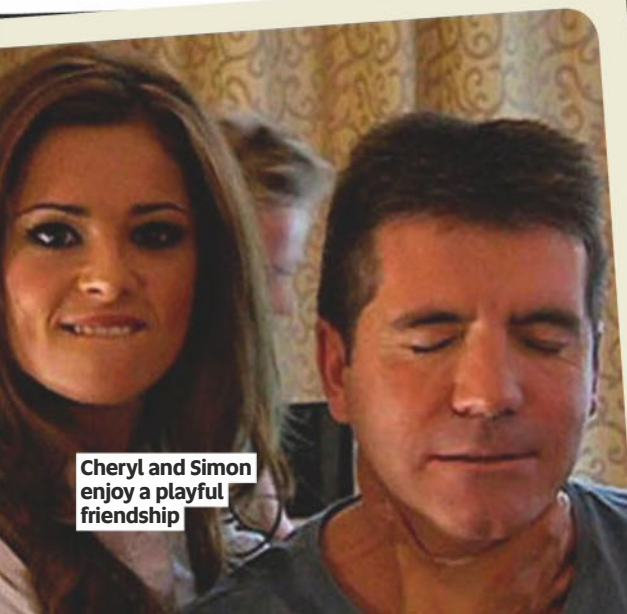

Walsh, 63, with whom

she recently had a falling-out, prompting her to make up with him. 'We'd had a bit of a spat, but with everything that's gone on with Simon, I thought: "It's not worth it,"' admitted Cheryl.

'I texted Louis, like: "I know you're going to be affected by this," because he and Simon have known each other forever. I said: "This is nonsense what's going on between you and I. I wanted to say it's forgotten about." He gave me a really nice message back so I think we've made up.' Aww, we're glad to hear it, Chezza!

Simon's clearly been touched by how Cheryl reacted to his mother's death and has praised his fellow X Factor panellist for

**'I HAVE
HUGE
RESPECT
FOR HIM'**

being there for him. 'When you go through a tough time in your life, you see who your real friends are,' he's revealed.

Cheryl's been dealing with grief herself recently – she's spoken of being devastated by the death of her husband Jean-Bernard's father. Perhaps going through that loss explains why she's been such a support for Simon.

'Cheryl was there,' Simon says. 'She was incredible – and that's the side that maybe she doesn't show to many people. But she's very compassionate and genuinely is a real friend. You don't get that very often in this business.'

‘SHE’S
BEEN
A REAL
FRIEND’

CHEZZA & SIMON: AN X FACTOR LOVE AFFAIR

There may be a 23-year age gap, but there's always been chemistry between Simon and Cheryl. He once confessed he was 'mesmerised' by her and admitted he'd have liked to have an affair with her.

Tom Bower's biography *Sweet Revenge* revealed Simon was infatuated with Cheryl during the 2008 series of *The X Factor*, even though she was married to Ashley Cole. 'She'd come in dressed in tracksuit and slippers, drop her eyes and play the soulful victim to

get around me,' Simon said. 'I was the mouse with a beautiful cat. I adored her.'

It wasn't the first time Si was bewitched by a fellow judge – in 2007, he'd had a brief affair with Dannii Minogue. But, unlike her, Cheryl never returned his affections and he eventually settled down with Lauren Silverman.

So is Cheryl secretly the one who got away? It might explain why last year, as Simon rejoined the *X Factor* panel, Cheryl was right there beside him.

Saucy! The stars get passionate on TV back in 2001

Cazza gets Flack for Danny snog!

Yes, she is locking lips with *Enders* star Danny!

XFactor host Caroline Flack has been forced to defend herself after posting a video of herself snogging *EastEnders* star Danny Dyer! Cazza, 35, posted a saucy 10-second clip in which she gets intimate with the actor, leaning over him and murmuring: 'Do you mind if my friend joins us?'

Don't worry though – Danny, 37, hasn't been playing away from fiancée Joanne Mas. The vid's from Caroline's first-ever acting role many moons ago. Alongside the clip, posted as a #ThrowbackThursday memory, Caroline wrote:

'WORLD STOP! I've just found my first ever telly job online... And NO it's not porn... it was a love scene with Danny Dyer. I was youngggg.'

The scene's from TV movie *Is Harry On The Boat?* which aired on Sky in 2001, when Caroline would have been 21. The comedy drama – later spun off into a series – centred on a group of holiday reps livin' it up in Ibiza.

It isn't the first time Danny locking lips with someone has hit the headlines though. In June, a pic of him kissing an 'eager' fan caused controversy – but, Danny insisted it was all 'innocent' and gushed about marrying Joanne. Guess we'll let him off then.

Angelina meets refugees on her trip to Myanmar last month

Fears for Angelina

AS SHE 'PUSHES HERSELF TOO FAR'

Those close to her worry hard work is taking a serious toll on her health

Her chiselled cheekbones and perfectly aligned features propelled Angelina Jolie from Hollywood actress to global sex siren. But on a recent charity trip to Myanmar in Burma to raise awareness about poverty in the region, the actress's frail frame, teamed with prominent veins, left many fearing that she's pushing herself too hard. Those close to the star say she's 'so busy looking after everyone else, she's

forgotten to take care of herself'.

Last year, Angelina vowed to step out of the Hollywood limelight to focus more on her charity work, saying: 'I'm going to take more of a back seat.' She added: 'I want to focus more on writing and directing and, above all, I'd like to focus more on my work with the United Nations and PSBI [Pearl S Buck International child charity].'

'IT'S BEEN A TOUGH YEAR FOR HER'

However, it's not just her hectic work schedule taking its toll – she's had a tough year health-wise. In

March, the 40-year-old star revealed she had her ovaries and fallopian tubes removed – two years after undergoing a double mastectomy because she has the faulty BRCA1 gene, which gives carriers an 87 per cent risk of breast cancer and a 50 per cent risk of ovarian cancer.

In a lengthy piece in the New York Times, Ange candidly revealed that she's now going through an early menopause, meaning she can't have any more biological children.

Her mother Marcheline Bertrand died in 2007, aged 56, following an eight-year battle with both ovarian and breast cancer. And Angelina also lost her grandmother and an aunt to the disease.

The actress's charity trip meant she was unable to attend Guy Ritchie's wedding to Jacqui Ainsley on 30 July with husband Brad Pitt, 51. Let's hope she finds time to take a break soon.

'Stress can lead to low appetite'

Nutritionist Charlotte Stirling-Reed says: 'Sometimes stress can lead to us having a low appetite or to us not paying enough attention to what we're eating. Anyone with a BMI under 18.5 is classified as

'underweight' and could be putting their health at risk, as it can lead to low energy, poor concentration, vitamin and mineral deficiencies, a weakened immune system and fragile bones.'

OUTRAGE OVER LAUREN'S LIPS

Lauren Goodger's fans have urged her to 'stop ruining her face' after she posted this selfie on Instagram in which her lips look more plumped than ever. One fan said she looked 'ridiculous', while

another said they didn't even recognise her: 'Not even joking, I thought this was Pete Burns! Stop ruining your face!' While the cause of her pout remains a mystery, 28-year-old

Lauren's admitted in the past to having surgery on her nose and boobs.

Time out for 1D

One Direction haven't had the smoothest ride of late, with Zayn Malik quitting and Louis Tomlinson set to become a dad for the first time. Now Liam Payne has spoken out to say they all just need to chill out for a bit. In an interview with Free Radio, the 21-year-old sounded a bit knackered as he

said: 'You know, I think everyone needs a little bit of a break now and a sit-down and a stop to kind of take in all the great things that have happened.' We don't blame you, boys – you're as hard-working as pop stars come. But who's going to supply us with songs and gossip while you're away?

MINI RICKIES & MARNIES?

Some may say Ricky Rayment, 24, and fiancée Marnie Simpson, 23, are a modern day Romeo and Juliet (if Romeo And Juliet was about vodka and reality TV). The couple's romance might have been a bit of a whirlwind – they got engaged after just six months – but Ricky already wants babies! He's revealed: 'We talk about it all the time. I'd like to have two kids.' And he's 'hoping to start trying on the honeymoon.' Oo-er!

Fans pay tribute to TV legend Cilla

The nation was shocked last week by the news of Cilla Black's death. The 72-year-old TV star died on holiday in Spain after after falling and hitting her head before suffering a stroke. Well-wishers left hundreds of bouquets of flowers outside her villa and at Liverpool's Cavern Club, where she began her singing career in the 60s, following the sad news. Her sons, Robert, 45, Ben, 41, and Jack, 34, released a statement thanking friends and fans for their support.

Although Vogue admits she's 'not feeling amazing' since the split, she sure looks it – and given that she and Brian are 'still friends', maybe seeing these hot pics could prompt a reunion?

Supermodel and actress Cara Delevingne's showing her support for Cecil the lion, who was killed by a US dentist in Zimbabwe last month, by auctioning her TAG Heuer watch for charity. The money raised will be donated to WildCRU.org, a research unit that had studied Cecil since 2008, to raise funds to protect lions in Africa. Victims of the 3-k

As Gwen Stefani and Gavin Rossdale split, writer Julie McCaffrey reveals the pressure

Writer Julie
and her triplets

The news that Gwen Stefani is calling time on her 13-year marriage to Gavin

Rossdale caused

widespread shock. But their split had a sad sense of inevitability for a large number of women. Those women in the know aren't showbiz insiders, relationship experts or close confidantes. They're ordinary mums of three.

These mums understand that one child becomes the centre of a couple's universe. Two children create a perfect balance. But three can topple that balance and tip even the strongest couples over the edge.

I am one of those mums. My triplet daughters have made me happier than I ever imagined possible, but their arrival also saddled me with extreme and permanent exhaustion that's seen me doze off midway through a bikini wax. Tiredness means I also have a tendency to be tetchy with my (poor and long-suffering) husband, who's been on the receiving end of rants that are so explosive I make the *Geordie Shore* girls seem sweet-tempered.

Gwen Stefani has hinted at similar stresses as a mum of three. Her third son Apollo is only 18 months old and, unlike big brothers Kingston, nine, and six-year-old Zuma, he'll barely remember living with his parents while they were married.

GWEN & GAVIN

A fed-up-looking Gwen with Gavin and the kids on Father's Day this year

On Ellen DeGeneres's chat show last year, Gwen, 45, admitted she hadn't planned

to have three kids. She was honest about the strain of looking after three boys, saying: 'It gets crazy. Everybody knows that 4-8pm is like chaos. It's like the crazy time in our house. The other day we were driving home and I was thinking: "OK, Motel 6. If I can just find one and go there and disappear

If looks could kill...

Danielle, 31, told how looking after Archie, five, Harry, four, and baby George had left her 'exhausted' and suffering from 'baby brain', which saw her leave her mobile in the fridge. Shortly after George's birth, Danielle's joke that if she had another baby 'Jamie and I would probably divorce'

co-parenting their kids – Violet, nine, Samuel, three, and Seraphina, six.

Of course, it could be a coincidence that the latest celebrity couples to split all have a trio of children. Or could it be that the curse of having three kids makes relationships crumble?

Under constant scrutiny

Pressure on parents

Psychologist Dr Becky Spelman says: "Three children represents a fundamental shift in family dynamics. Three kids take more effort and attention and the extra responsibility often falls on one partner, which can lead to resentment and questions like: "Why should your career come before my life?" Or on the flip side: "I'm out at work all day so why should I come home to an unhappy house?" Parents experience a lot of pressure and guilt can seep into their lives."

STRESSED KIM TOLD: 'Slow down!'

Kim K in pain as water retention returns during her second pregnancy

With millions in the bank, Kim Kardashian can afford anything she wants at the click of a finger. But no amount of money in the world can put a stop to one of the downsides of Kim's second pregnancy: water retention. Now she's been warned to slow down as it's starting to cause her pain.

A source says: 'Even though she's eating healthily, Kim's legs and arms are swollen and it hurts her to move. She's in pain from water retention and is practically bedridden. Doctors have told her there's nothing she can do but the problem can get worse if she over-exerts herself, so they're advising her to rest. But despite Tweeting 'I'm so tired' on 28 July, she can't seem to slow down and Kanye [West] is worried.'

It's not the first time Kim, 34, has experienced this problem. During her pregnancy with her two-year-old daughter North,

Kim complained of water retention, posting a picture on Instagram of her swollen feet, which had been imprinted by her Givenchy sandals. She captioned the snap: 'Swollen feet or a new Givenchy tattoo?'

While at an event in May 2013 wearing a pair of Louboutins, she said: 'These hardly fit me any more. When I flew in them the other day, I landed with one strap unbuckled as I couldn't get it around my ankle.'

Kim, who's due to give birth to a baby boy in December, has been told to take time out but those close to her say she's unable to take heed, which is depressing her. Our source adds: 'Her family are worried she'll struggle with this pregnancy if she doesn't slow down. She wants it to be hassle free this time, but it's not looking like that's going to happen.'

Emily: 'PETE'S THE PERFECT HUSBY'

Peter Andre's on daddy daycare duty as new wife Emily starts her career

The ink's barely dried on their wedding certificate, but hard-working Emily MacDonagh has already started her new job as a doctor – leaving husband Peter Andre at home to look after the kids.

Now Tweeted Pete last week to say: 'We hope you're treating Emily to a nice dinner after her first day as a doctor,' to which he replied: 'I did. She came home to a wonderful home cooked meal and three kids :))))'.

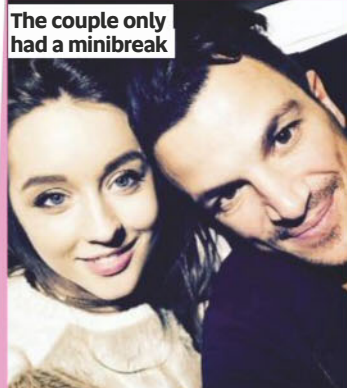

With Emily at work treating patients, Pete was on daddy duty with their 19-month-old daughter Amelia and his two children with Katie Price, 10-year-old Junior and eight-year-old Princess, at least until the end of the week. Then he headed off to towns including Woking, Newport and Llanelli as part of a promotional tour for his new fragrance Breeze.

When Emily finally qualified as a doctor in January, 42-year-old Pete took to Instagram to congratulate her: 'She's only gone and done it. Emily

passed her final exams. Dr Emily Macdonagh, sounds great doesn't it? So proud.'

After their wedding last month, Emily, who turns 26 this week, spoke of her desire to further her career. Asked about the couple's plans for

Having been forced to cut short their honeymoon last month, a disappointed Pete has revealed that their plans of jetting off again have been put on ice. 'Ems and I were hoping to take the second part of our honeymoon later this year, but I don't think we'll be able to go until next year now. We're both so busy, which is, of course, great.'

The pair were only able to squeeze in a quick minimoons, spending a few nights on a yacht in the Greek islands, before Pete had to return to the UK to give evidence at a court hearing in a case involving his ITV show's former producer Neville Hendricks.

This is the week that co-ords took the stress out of dressing

CO-ORDS

Hey busy girls! Looking to bag yourself a lie-in? 'Course you are.

Taylor Swift's a fan, Hailey Baldwin loves them and even Jennifer Lopez is in on the action. So what's so special about co-ords? Whether you wear the set or mix and match styles and prints with other bits in your wardrobe, co-ords are a staple.

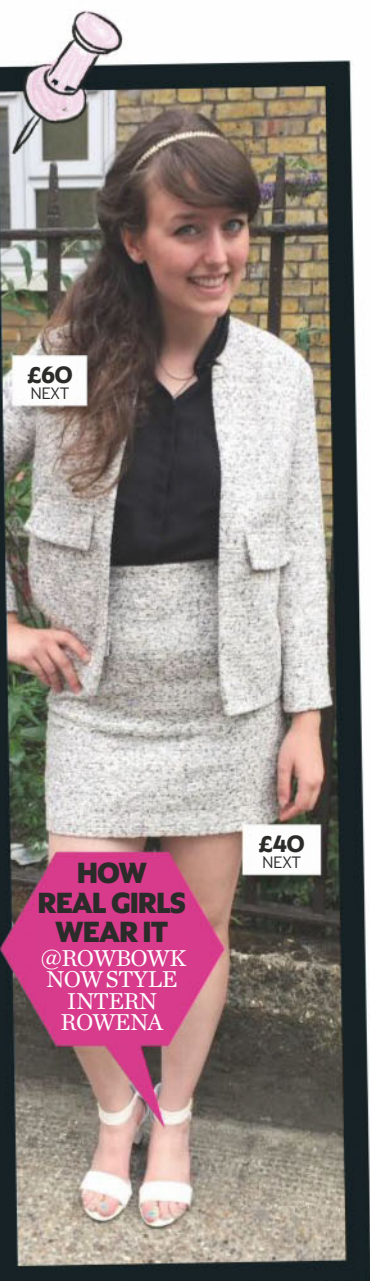

Kim Kardashian loves a co-ord and is famous for keeping hers simple and 'klean'. Taylor's a bit braver and loves to try a printed co-ord. Hey, who are we to argue? We're not the ones strutting around Hollywood with Calvin Harris on our arm, are we?

Don't just think that co-ords are for your mate who has the body of a Victoria's Secret model though. They could be the answer to highlighting your curves and hiding a multitude of sins.

Mixing and matching tops and bottoms is the key to maximising

wearage. You could wear the top with ripped jeans one day or the shorts with a plain vest or T and blazer another day. In fact, this might just be your holiday packing pal – twice the looks for the price of one.

Co-ords aren't just for summer or tropical climates – think Parisian dressing and go for a long-sleeved option with a woolly pencil skirt to match. Nice, right? Throw on some strappy sandals and a leather jacket caped over your shoulders and you'll be on to a winner!

TOP TIPS FOR NAILING CO-ORDS ANY SEASON

1 If you go for a crop top, make sure it crops in the right place. You want to highlight your best bits, like those abs you've been working on all year.

2 If you clash your prints, make sure they, er, don't really clash. Take spots and stripes and pick colours that actually co-ordinate.

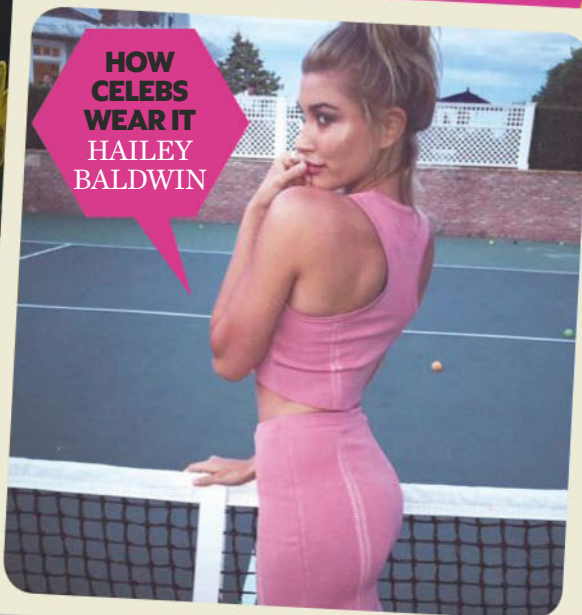

3 Use co-ords to your advantage – if you're blessed with hips, balance them out with a peplum or flared trouser. Got a bootylicious bum? Celebrate your curves in a skintight skirt.

4 Can't quite pull off a print? No sweat! There are plenty of block-colour options out there that you can style with staples from your own wardrobe.

Now Ri's got Bad Blood

Seems like everyone these days is feuding with Taylor Swift. The latest person to go up against the 25-year-old pop star? Step forward Rihanna.

It's been reported that after feeling annoyed at the swipes Taylor's taken at her friend Katy Perry, 27-year-old Rihanna's planning to write a song all about 'kiss 'n' tell' women and directly diss Taylor. An insider reveals: 'Ri-Ri's really protective of Katy and she's bugged by Taylor's growing good-girl clique.' Eek, it's getting like Mean Girls here!

Fiddy's fake life

After being declared bankrupt recently, 50 Cent has admitted his rich and lavish lifestyle was all fake. The 40-year-old rapper – real name Curtis Jackson – revealed that the swish cars he had were actually rented and bling he wore was 'borrowed from the jeweller'.

'It's like music videos – they say: "Action!" and you see all these fancy cars, but then everything goes back to the dealership,' he said. In actual fact, Fiddy only owns three gold chains. Who knew?!

Britney's amazing body secrets

Holidaying with her sons Sean, nine, and Jayden, eight, Britney Spears had us all marvelling at her toned body. But while we've seen her doing her yoga moves on the beach, that's not the only way she gets her enviable bod.

Coleen Rooney:

'A girl would complete our family'

The pregnant star talks cravings, baby names and being a football mum

Coleen Rooney has a lifestyle many envy. Not only is she married to the Premier League's richest footballer Wayne, she's also a doting mum to their two adorable sons – Kai, five, and two-year-old Klay – with a third child due in January.

Fiercely private Coleen, 29, tends to keep her family away from the media glare – in fact, we only ever see her in a two-piece when she's snapped on a faraway tropical beach. Despite only recently returning from Portugal – just one of over 14 holidays in just two years – she still has time for a chat with Now...

Coleen, you look amazing! How's your pregnancy going?

Yeah, it's been fine. No sickness or nothing – I've been lucky! I was a bit tired at the beginning, but yeah it's going good.

Have you had any pregnancy food cravings?

No, I never got any with the others either. I do feel like I need more sugar, but I don't know if that's an energy thing. I don't eat much chocolate,

but I do feel like a little bit of that now and again.

You've been hitting the gym – what exercise do you do when you're pregnant?

I do a form of Pilates, which I love. So I plan on carrying on until I feel like I want to stop. Your body's going to change

during pregnancy, but I go to the gym as well to get that little energy boost – I feel better when I go.

Do you think mums are under too much pressure to regain

their pre-baby bodies once they've had their child?

I think it's what you pay attention

to. I pay attention to none of it! In my own time I'll get back to what I am, but it's hard after pregnancy. You've got so much to do with a newborn baby, so you've got to give yourself a rest and concentrate on your baby. I'm quite a strong person so I don't really listen to: 'You've got to do this,' or: 'You've got to do that.' I think you have to do what your body tells you.

Do you feel attractive as a mum?
You have your days where your

hair's a mess and you've got no time to get ready in the morning. There are times where I go and get my hair or make-up done for a night out and I feel nice within myself. But on a day-to-day basis, I'm quite a casual person. Your main priority as a mum is your kids.

You've got two sons already – are you nervous about juggling three children?

You just learn to cope. Obviously going from no kids to one kid is life-changing, then going from one to two is more time consuming. You've got to juggle your time a bit better. Kai's now in school full-time and Klay goes to nursery a couple of days a week, so I think I'll be fine.

Are you secretly hoping for a girl?

A girl would be nice because it would just complete the family but I'm not desperate. Kai and Klay are real mummy's boys and I love that!

Have you got any potential baby names?

I've got a few that I had from having Kai and Klay, but I've just recently bought some new books so I'm going to have a flick through them and see if there are any new ones. It's so hard because they go on in life with this name, so you've got to get something that's right. It's a difficult thing.

Is there a name that really stands out?

There are a couple that I prefer more than others, but I'm not going to tell you!

Do you follow a specific diet when you're pregnant to keep your body healthy?

No, I try to stick to my regular diet. For lunch I'll have something a bit healthy and then for dinner I'll tend to eat what the family are

Kai and Klay keep mum Coleen busy!

The boys are already showing a keen interest in football

eating. When I'm pregnant I don't overindulge but I'd say I do treat myself a bit more!

You've been working on the first McDonald's Football Mum of the Year Awards,

which took place last week. With two sons, you must spend a lot of time washing kits and driving to training...

Kai's just started playing with a local team – he loves it. He has his own kit he wears – his team has a kit but he just doesn't wear that one. He'll go out into the garden and he'll come back in and put another one on. There are football socks all over the house! The little one's only two but yeah, he's been interested from the beginning, just kicking a ball. They play well together.

Would you like to see them play professionally one day, just like their dad?

Because of what Wayne does, a lot of people say: 'Are you going to be a footballer like your dad?' If they want to, I'd support them. But I know how much pressure there is from a young age with football, like going to training every night. Unless they were

'THEY ARE REAL MUM'S BOYS'

committed, obviously I wouldn't push them.

Do your boys enjoy taking part in any other sports?

Kai does a hip-hop dance group – that's something he loves.

Now boy Shayne Ward: 'I won't wait for my SCENES!'

Family struggles, saving lives and leading roles – hunky Shayne's seen it all

Pop star, pin-up and now soap star – these are just a few of the words to describe

Shayne Ward. After winning *The X Factor* in 2005, the 30-year-old's 10-year showbiz career has gone from strength to strength and he's now preparing for the biggest role of his life as Aidan Connor in *Coronation Street*.

But none of these titles accurately describe the well-grounded, family orientated star. 'I worship the ground she walks on,' Shayne, 30, confesses to us about his mum Philomena, 58, following her second

stroke in six weeks. And although his mum's now in 'high spirits' once again, this isn't the only thing leaving Shayne battling with his emotions.

Away from explosive scenes and storylines on the *Corrie* cobbles, he recently became an unlikely hero when he risked his own life after a motorway car crash to save the lives of a four-year-old girl and her dad. All in a day's work...

Congratulations on your new role! How did it happen?

My name was associated with the show on Twitter from my fans and I just thought: 'What the hell is this?' The next day my management received an email from *Corrie* saying they'd like

to see me for an audition and it just escalated from there.

What was it like when you first arrived on set?

The first time I walked down the cobbles was so surreal. I kept thinking: 'I've watched this for years.' They were filming a scene on the Street when I had my induction. I couldn't stop looking around, saying: 'Oh my God.'

Were you nervous?

I was so nervous because it's such a massive, massive deal. During my first scene I kept repeating in my head: 'Just don't mess up your lines.'

'WHEN AM I GOING TO GET JIGGY?'

Which of the cast have you really clicked with?

Everyone's so relaxed and working with Alison King and Kym Marsh – who play my onscreen family – is such a dream. We're planning

a big cast night out soon.

Have they been offering you advice?

They've both been brilliant. They said: 'Listen, if you want help reading through any of your lines let us know.' I'm always asking them questions and taking notes on set. I bet they think I'm a big geek.

How have you prepared for the role?

I've been at the gym a lot and lost a bit of weight, but I'm not sure how much. When you're on camera

Versatile Shayne in *Coronation Street* with Ben Price (Nick Tilsley) and Alison King (Carla Connor) and in *Rock Of Ages* (below)

you do look a lot bigger. So I want to make sure my body's in good enough condition in case I have to do a topless scene and they're expecting Peter Andre-style abs.

Have you always been body conscious?

I just want to make sure that I'm comfortable when I'm delivering my lines and not thinking about how my body looks.

Have you had to whip your top off yet?

Not yet! I've actually asked the producers: 'When am I going to get jiggy with someone?' I'm a 30-year-old bloke – I can't wait for some sex scenes!

Do you feel pressured at all about the public response?

Yeah, absolutely! I think I'm going to stay off Twitter when my first scenes air because you're always going to get trolls, but I love the power of the block button.

With his beloved mum Philomena

From X Factor winner to musical star in *The War Of The Worlds* (left)

and keeps trying to get all the gossip from me. I have to tell her: 'I know you're family, but I don't want to ruin any surprises!'

How is she feeling now?

I spoke to her today. She said she's feeling better and is in high spirits. She's staying with my sister at the minute and her house is all on one level so it's perfect for her. I keep going

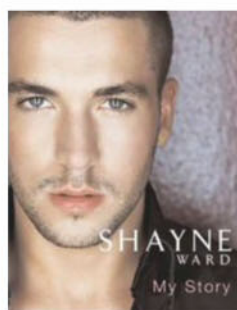

round and stocking her up on Galaxy chocolate!

Have you been helping your sister care for her?

Absolutely, yeah. I worship the ground Mum walks on. I'm one of seven

children and we've all been helping out.

When I'm not filming I've been secretly renovating her house for when she's well enough to move back to her own home. I've ripped out some old fitted wardrobes, re-carpeted the stairs

I'm just going to concentrate on working my arse off.

Why do you think Coronation Street keeps hiring pop stars?

[Laughs] I'm not sure, but Kym's done really well! I've heard people say, 'Why do pop stars keep going into acting?' But why shouldn't they?

Sarah Harding received a mixed response for her recent cameo...

I haven't spoke to her or seen her in a while. She filmed her scenes before I started, so there was no crossover on set. It'd be nice to see her in real life and find out how her experience was.

Has your mum been able to visit you on set yet?

Not yet. She's still recovering from her second stroke. She loves Corrie

2006 His debut single *That's My Goal* and album both went to No1. He released his autobiography *My Story*.

2007 Shayne's second album featured two Top 10 singles.

2011 After three albums, he parted ways with Syco and joined West End show *Rock Of Ages*.

2013: Shayne reached the fifth round of *Dancing On Ice*.

2014: He toured in Jeff Wayne's musical version of *The War Of The Worlds*.

2015: His album *Closer*, funded by fans, made the Top 20. He also landed a role in *Corrie*.

THE NEWBIE MILLIONAIRES

TV's seven-figure club has a few new members...

GARY BEADLE, 27
£1.3m

Geordie Shore's Gaz reckons he rakes in £40-45k a month doing personal appearances (PAs) meeting his fans at £2k a pop. His investments include a house for his sister (who pays him rent), a men's clothes shop in Newcastle's MetroCentre and a beach club in Greece. He's a penny-pincher, too – his only outgoings are a £50-a-month mobile bill and a KFC habit.

CHARLOTTE CROSBY, 25 £1m

She earns £75k from Geordie Shore and netted £100k from winning 2013's CBB. Charlotte's also profited from PAs, an autobiography and her 3 Minute Belly Blitz fitness DVD. Her splurges include a white Range Rover.

JOEY ESSEX, 25
£1.7m

Six months after leaving TOWIE in 2013, Joey had coined £420k. His TV show Educating Joey Essex and his Fusey clothing store have added to that. He recently bought a £1.6m house with a pool and tennis court.

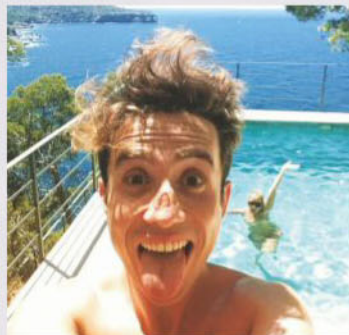

MEL GIEDROYC, 47, & SUE PERKINS, 45
£1.5m each

Mel faced bankruptcy in 2010. Now, she and Sue have £250k salaries as GBBO presenters. Other TV projects, like their Mel And Sue chat show, mean they earn a healthy crust.

PAUL HOLLYWOOD, 49 £3m

In 2011, Paul's company made just £547. It's all change now – his GBBO income is £500k a year, topped up by £300k from his books, £50k from merchandise and £300k from live tours.

NICK GRIMSHAW, 30
£2m

Nick's picking up a cool £1m for his new X Factor judging role, adding nicely to the £200k-a-year he's pocketed for setting his alarm early for the Radio 1 Breakfast Show since 2012.

SUSANNA REID, 44
£2m

Susanna netted a reputed £1m for joining ITV's Good Morning Britain last year, a mammoth pay rise from the £250k salary she received from the rival BBC show she'd presented for the previous 10 years.

CAROLINE FLACK, 35
£1.7m

Her £250k salary for The Xtra Factor is set to double now she's co-hosting the main show with Olly Murs. She made £75k for winning Strictly last year – and was minted enough to turn down £500k to be the face of dating website CougarLife.com in 2012.

MARK WRIGHT & MICHELLE KEEGAN, both 28
£3m (combined)

Michelle's netted £250k from her Lipsy clothing range, £150k promoting Garnier's self-tan range and £50k for BBC1 drama Ordinary Lies, while Mark's earnings include £150k for I'm A Celeb, £150k for Take Me Out: The Gossip and £5k per PA.

RYLAN CLARK, 26 £1.8m

Rylan was rolling in it mere weeks after being eliminated from The X Factor – his Celebrity BB victory scooped him £250k. Now on the Big Brother payroll with his Bit On The Side gig, Rylan's also earned moolah from presenting on Daybreak and This Morning.

CLAUDIA WINKLEMAN, 43
£2m

Kooky Claudia hit pay-dirt with her promotion to Strictly co-host last year, scooping a £250k salary. She was already on the BBC payroll for presenting Film 2015 and The Great British Sewing Bee.

EMMA WILLIS, 39
£2.1m

The money's pouring in for Emma. With the BBC offering her a 'hefty pay rise' to continue presenting The Voice, the former

model also brings home the bacon from hosting Channel 5's Big Brother. Emma, who has two kids with McBusted star Matt, says her only extravagance is cake.

7 **KATIE PRICE, 37**

When Katie revealed on CBB earlier this year that her son Harvey's treatment costs nearly £1k a day in taxpayers' money, some viewers were outraged – possibly because of her £45m fortune. In addition to her reported £500k CBB fee, Katie's coined it in thanks to book deals (£5m with Random House), TV shows (a £5m Sky Living deal, £350k for I'm A Celebrity), wedding mag deals (Peter Andre: £1.75m, Alex Reid: £1m) and promo work (Asda lingerie: £1.5km). She also reckons her 12-year outlay on hair extensions has cost her £288k!

Katie's shifted millions of copies of her novels and autobiographies

She made a tidy sum from I'm A Celebrity. Twice!

2

JAMIE OLIVER, 40
£180m

Jamie's finances may have slumped by £60 million in the past year, but his Jamie's Italian restaurants are still massively successful, with turnover topping £100m last year. Jamie isn't short of a bob or two himself either, having earned £1.2m a year for his Sainsbury's ads and selling a whopping £126m worth of cookbooks.

4 **ANT & DEC, both 39**
£76m
Accounts from Ant & Dec's firms show they raked in a massive £23k a day during 2014. They also got a £15m windfall after selling the Saturday Night Takeaway format to US network NBC this year. They live on the same London street (in properties worth £10m) and own side-by-side villas in Portugal's Algarve.

1 **SIMON COWELL, 55 £325m**

In his late twenties, Simon was washed-up, bankrupt and living with his parents. His bank account grew only after judging Pop Idol in 2001. Since then, it's increased massively due to his X Factor and Got

Talent franchises going global, not to mention the stars – Susan Boyle, Westlife, Il Divo – signed to his Syco record label. In recent years, One Direction have been his golden goose, helping him earn a staggering £59m in 2013-14. Simon's proved to be a real spendaholic, too. Last year he bought a £6.9m New York apartment, while other splurges

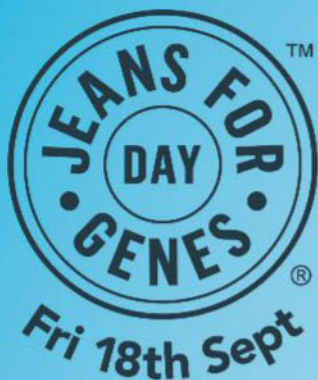

include a £5m LA mansion and a £600k Bugatti, plus regular expensive holidays at Barbados's Sandy Lane resort (£3k a night). Just being Simon is pretty costly too – there's the £300 haircut, £30 hand waxes plus the £10k he's spent on his gnashers. Even his loo roll doesn't come cheap – he only stocks £10-a-roll jet-black toilet paper.

Simon and his partner Lauren Silverman have got the yacht... er, lot

He loves to splash the cash on top gear like his Bugatti sports car

RICKY WHITTLE

'It's hard to meet that someone special'

As he returns in hit US drama *Mistresses*, Ricky reveals all to Now

Ricky Whittle has a rather impressive post-interview plan – throwing himself out of an aeroplane 10,000 feet above LA. And he's even plotting to put the willies up two pals who are joining him for their first ever skydive. 'They're absolutely crapping themselves right now,' says Ricky, 33, flashing a perfect ice-white Hollywood smile. 'I'm going to forward them YouTube videos of skydives gone wrong because that's the way I am. That's British humour for you.'

Aptly, Ricky's having the last laugh in his career too. Four years after his character Calvin Valentine was written out of *Hollyoaks*, he's cracked a US career after moving there in 2011. As well as a lead role in

Steaming up the screen with his *Mistresses* co-star Rochelle Aytes

post-apocalyptic drama *The 100*, he's back this month in another series of ABC's scandal-packed show *Mistresses*, playing former FBI agent Daniel Zamora.

And Ricky's real life relationships have been juicy too. Last April, he began a six-month romance with Demi Moore's daughter Rumer

'Quidco helps me bag a bargain'

Amanda's earned
£795

Amanda paid for her Ibiza holiday with Quidco earnings

Amanda O'Hara, 26, from Paisley, on why she loves the cashback site

I'm not a big lover of high street shopping – I hate crowds and having to queue. I find the internet much more convenient – and thanks to Quidco, it's so much better for bagging a bargain.

The cashback and voucher codes site gives me money back simply for clicking through and making a purchase at any of the 4,200-plus retailers listed. I get commission just for shopping! I've used it for everything from buying new clothes and a car

to home insurance and paying my energy bills.

The biggest earnings I've made have been on my TV and broadband packages – when I signed up to Sky in 2011 I got a huge £140 back in my bank account. Then, when I switched to Virgin in January, I received another £161 – it's amazing! I used the extra cash to pay for my Ibiza

summer holiday.

Now you can get cashback when you're shopping on the high street, too. All you have to do is register your card and certain shops will give you cashback – just like you'd get online.

I joined Quidco two years ago

and have got £795 cashback from different deals during that time. I've recommended it to all my friends – I'd never buy anything online without clicking through Quidco first. It's free to join, with just a £5 annual admin fee taken out of your earnings if you choose Premium membership. What's not to like?

HOW DOES QUIDCO WORK?

Whatever you want to buy, it's likely you can get a deal or earn cashback with Quidco. Here's how:

1 Go to the website www.quidco.com/now and browse the hundreds of offers available at Quidco's retailers – or search for a specific product or service.

2 When you've found what you're looking for, just click through to the retailer's website via www.quidco.com/now and make your purchase.

3 Quidco tracks your visit and passes you the cashback. You can then withdraw it from your bank or PayPal account to spend (or save!) as you wish.

Want to earn cashback or get a deal with Quidco? Then join for free today – just visit www.quidco.com/now

Quidco

♥♥ Willis, 26 – and prior to that he reportedly dated *Gossip Girl*'s Jessica Szohr, 30. More recently he's been spotted with a mystery blonde named Sara. So what's happening in his love life and what's in store for him Stateside? Ricky reveals all...

You had some pretty hot scenes with your *Mistresses* co-star Rochelle Aytes, who plays April. Was the sexual chemistry between you genuine?

If you look at TV and films throughout the ages there has to be some sort of chemical reaction. It doesn't necessarily have to be positive. Patrick Swayze and Jennifer Grey in *Dirty Dancing* actually hated each other and that created one of the best screen chemistries of all time! Fortunately Rochelle's an incredible actress and we were able to take it to completely different levels.

Have girlfriends ever got jealous when they've seen you getting physically close to a co-star?

It's a tough industry and a lot of actors tend to be single because it's hard for partners to accept that you're working with beautiful people. I've had partners in the past say: 'That's the look you give me,' or: 'You have those mannerisms when you're with me – what's real and what's not?' As an actor you have to take real-life emotions and bring them to your characters, so if they get jealous then I'm obviously doing something right!

His romance with Rumer Willis came to an end after six months

Your character Daniel is pretty secretive. Are you similar?

I guess I'm very, very similar. I'm no angel – I'm not perfect, so there's that little bit of mystique about me. I rarely talk about my private life. I'm very open about myself but with regard to my family or partners I like to keep myself to myself.

So are you single right now?

I'm single and focused on work and making myself better than I was yesterday. I'm happy with life. I'm just trying to be a good person and, hopefully, when the right person comes along...

Would you ever hit Tinder to meet the right girl?

I would *not* go on Tinder for the right girl! I rarely go to clubs or bars so it's actually very hard for me to meet people in our industry. I end up dating people who I already know, whether they're in my gym, yoga class or my social life. It's hard to meet someone new. I can't think of the last time I went on a first date with someone I didn't know.

Why don't you go to bars?

A lot of people come to America and get soaked up in the party life because every day is like a holiday in California. You can

Ricky proudly poses with his mum during her visit last year

happily sit by the pool and get sucked up by the house parties. But before you know it, you're spending thousands, you've not booked anything, you're getting out of shape and you're returning home with your tail between your legs.

But you're looking pretty good!

I'm probably in the best shape I've ever been in my life. I think that's down to eating healthier and keeping more in shape because there's always that guy who's up and coming who wants to usurp you. There are so many people out here who are hungry and it's about who wants it more.

What would be your dream movie role?

Action films – James Bond, Marvel. I'm a very athletic person so I love using my physicality. But I also love working with women, so romantic comedies and drama.

Did you get action-hero advice from Rumer's dad Bruce Willis?

I've received advice from various actors across my career... and I'm grateful for it all!

Mistresses returns to TLC at 9pm on 12 August

Ricky is back on TV screens as Daniel Zamora this month

2014 As well as joining *Emmy*-nominated show *The 100* with a recurring role, Ricky also finds love with Rumer Willis, the daughter of Demi Moore and Bruce Willis.

2014 After a six-month whirlwind romance, his relationship with Rumer sadly comes to an end. Reports state that he dumped her because he's 'too busy with work'.

2015 Despite declaring himself single and 'not looking for love', the actor has been recently spotted walking hand-in-hand with a mystery girl known only as Sara.

2015 When discussing the differences between working in the UK and US, Ricky reveals: 'I'm not just viewed as a piece of meat over here – I'm taken seriously as an actor.'

The Aussie actor didn't imagine himself as a Hollywood A-lister

He's a serious hottie...

Yep, we can see that! Chris, who turns 32 on 11 August, is adored by millions around the world and last year he was voted People magazine's Sexiest Man Alive. He was also on Glamour magazine's 50 Sexiest Men Of 2013 list.

...but he used to look VERY different

The Aussie actor hasn't always been a hunk. In 2002, he made his acting debut aged 18 in a TV series called Guinevere Jones, playing King Arthur. With his long hair and baby face, it's clear Chris has grown into his looks!

Sibling rivalry?

Chris's older brother Luke, 33, and younger brother Liam, 25, are also actors. On one occasion, Hunger Games star Liam was left riled when he thought a journalist had called him Chris, snapping: 'It's Liam.' The red-faced reporter told him his own name was Chris and he was just introducing himself. Er, do we sense some brotherly competition here?

A very different looking Chris in Guinevere Jones. Nice crown!

Social media-phobe

While most A-listers are all over Twitter, Instagram and Facebook, Chris is quite the opposite. He only posted his first Tweet in March this year and doesn't have an Instagram account, so sadly we can't swoon over his personal pics. Boo.

Acting wasn't always his dream

'I remember being in high school. Every week I had a different idea about what I wanted to do,' Chris has revealed. 'One week it was: "Ah, I'm gonna be a doctor." The next it was: "I'm bound to be a professional sports player." Then I'd want to be a police officer. Or a lawyer.'

He's got the moves

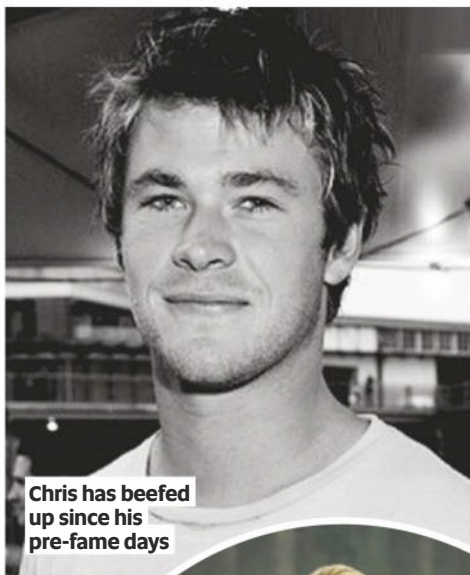

Shortly before quitting his role as Kim Hyde in long-running soap Home And Away in July 2007, Chris took part in Australia's Dancing With The Stars. He remained in the competition for six weeks before finally being voted out. Not too shabby, Chris!

Surfer dude

Being born and raised in Australia, it's no surprise that he's a surfing fanatic.

Chris admits he gets 'a rush' from riding the waves

Chris has beefed up since his pre-fame days

Hammer time! Chris is the Vegemitey Thor

Chris is often snapped taking to the waves and admits it gives him 'a rush'. He says: 'I'd nearly always rather be surfing.'

Body of a superhero

Playing warrior god Thor in four films and counting, Chris has had to work extremely hard to build a super-fit physique, gaining 20lb of muscle. He did it by upping his cardio, revealing his routine consists of: 'Mainly boxing and [combat sport] Muay Thai, with some elements of weights. It was certainly exhausting at times, but I prefer to be training than not. It gives me more energy and I just generally feel better about myself. I feel like I've earned that beer at the end of the week.' Chris also revealed that he sticks to a healthy

Chris and Elsa have been married since 2010

diet of chicken breasts, fish, vegetables and brown rice.

His childhood nickname was Kip

No, he didn't get called 'Kip' because of a love of kippers or having a mid-afternoon shuteye. He actually got the nickname because he couldn't say Christopher properly and would instead say 'Kiptader'. Aww.

All loved-up with wife Elsa

Chris married Spanish actress Elsa Pataky in December 2010, just three months after they first went public with their relationship. They have three children: India, three, and one-year-old

twins Tristan and Sasha. When they're not spending time with the kids, Chris and Elsa, 39, have been spotted on date nights, which when they're in London include trips to Notting Hill's Electric Cinema and restaurant Dans Le Noirs, where guests eat in the dark. How romantic!

He snacks on Vegemite

When asked what his favourite nibbles are, Chris – whose latest film Vacation hits cinemas on 21

August – confessed: 'Whatever I've got in my cupboard, which usually isn't much! Most likely Vegemite [the Aussie version of Marmite] and Saladas [Aussie crackers].'

ZARA'S BEST TOP EVER (PART 2)

Earlier this year, Zara asked fashion blogger Leandra Medine of Man Repeller to style five spring looks. Leandra dubbed one of the tops: "The best shirt Zara has made in the history of shirts or what?" Unsurprisingly, it sold out in record time. Fast-forward to now and – shocker – Zara's designed this sequel. Cue irrational but totally justified panic that life really won't be the same until you own it.

#60SecondMakeover

...With Pixiwoo

Hey, busy girls! YouTube beauty pros Pixiwoo – alias Sam and Nicola – share their #MindBlowing beauty tips

What beauty trick should we all be trying now?
Sam: Strobing

is huge! Use a highlighter for a lovely dewy finish – perfect for the end of summer.

Which products should we use?

Nicola: Tom Ford Illuminating Pen [£42] has a pinky tone, then use a MAC Blush Cream Colour Base on the very tips of your cheeks.

S: And Urban Decay's Naked Illuminated Shimmering Body For Face And Body [£22.50] is fab.

Any big beauty myths you'd care to debunk?

S: A lot of people think you can layer up SPF – for example, in your moisturiser and foundation. But it actually lessens the protection.

So SPF30 + SPF30 doesn't = SPF60?!

S: Exactly. You actually end up making it an SPF 15.

What's your top tanning tip?

N: Most people know that lemon juice gets rid of self-tanning clangers, but toothpaste works really well, too.

What's your guaranteed

'Facebook profile pic' product?!

N: Hourglass Veil Foundation photographs so beautifully. If

you know you're getting snapped it's the best thing ever – definitely worth investing in.

Which ONE product should every woman own?

S: MAC's Blot Powder, applied on the T-zone with a Real Techniques brush. Keep it in your handbag – it's fab!

Swap bronzer for highlighter to give a fresher finish

CBB star **Casey Batchelor**, 30, shares her top-to-toe health secrets

'I can't say no to a glass of bubbly!'

HEIGHT: 5FT 2IN
WEIGHT: 8ST 3LB
SIZE 8

What's your favourite type of exercise?

I have a personal trainer at the gym. And I do a lot of weights. I also do a thing called Orangetheory Fitness, which has just come over from America. Basically you've got a heart monitor on and your heart rate comes up on the screen to measure how intense your workout is. It helps push you harder.

How do you motivate yourself to keep fit?

When you have so many trolls on Twitter commenting on your appearance, you want to look your best all the time. If you put on a few pounds, they call you 'too big' and if you've slimmed down a bit, you've 'lost too much weight' – you can't win.

What's your favourite part of your body?

My thick hair because it's all real.

What's the part of your body that you most struggle to keep in shape?

My stomach. All of my weight just goes straight to it because I go to events every week and I can't say no when there's a glass of bubbly in front of me!

What's your guilty food pleasure?

I love Reese's Peanut Butter Cups – or just peanut butter. I could eat peanut butter from the jar. I do like chocolate, too. What girl doesn't like chocolate?!

CASEY'S FOOD DIARY

Now's expert sports nutritionist **Ollie Frost** gives his verdict on her daily diet

Breakfast

I try to have a juice every morning with kale, spinach, avocado, banana, protein powder and coconut oil.

OLLIE SAYS Smoothies are a convenient way to pack in essential vitamins and minerals.

All these ingredients contain soluble fibre, which helps slow the breakdown of carbs and absorption of sugar to aid blood sugar control.

309 cals

Lunch

A healthy chicken salad.

OLLIE SAYS Chicken is a low-fat, high-protein meat that will help you feel full throughout the day. Vegetables should be included with every meal as they're low in calories and high in volume.

412 cals

Dinner

Salmon, broccoli and green beans.

OLLIE SAYS Salmon is an excellent source of omega-3, which can help reduce the risk of cardiovascular diseases. But even with veg, this meal is low in calories – to boost this, add a source of fat such as olives or a small avocado.

299 cals

Snacks

I drink green tea throughout the day and snack on carrots and sweet chilli hummus.

OLLIE SAYS Hummus is another good source of fibre, which slows down digestion and blocks the absorption of cholesterol. It is high in fat though, which increases the calorie content.

269 cals

TOTAL CALS 1,289 (GDA 2,000)

VERDICT Casey's diet is high in antioxidant-rich foods which will help protect her immune system against diseases. But her overall calories are low – she should increase her intake by 200-300 calories a day, including healthy fats such as nuts, avocado and olive oil.

JENNIFER LAWRENCE

turns 25 on
15 August

IF IT'S YOUR BIRTHDAY THIS WEEK...

Having a birthday later in the year brings financial deals that others will miss, so how are you going to make it happen? Start with a review of your professional life, Leo – how and where you work. Then move on to who pays their way and who should be on their way out the door. Love is challenging, but by October you're happier than ever as karmic connections show themselves.

LEO 23 Jul-22 Aug

As the Sun takes his final spin around your sign, your ruler has some advice from Venus. Love is under review – clarity comes from an unexpected chat where truths are revealed.

Call me for more on money boosts.
UK: 0905 8171565* IRL: 1560 787905*

SCORPIO 23 Oct-22 Nov

You've got some big help on the career front and if you'd rather stay where you are, that's shining, too. It all hinges on whether or not you're brave enough to say yes to a real challenge.

Saturn rewards hard work. Call me.
UK: 0905 8171568* IRL: 1560 787908*

AQUARIUS 21 Jan-19 Feb

Someone's giving you the right signals, be it friendship or a little more. But you're not quite there yet, Aquarius. It could all turn on a misunderstanding so just watch what you say.

Big love, big challenges. Call me.
UK: 0905 8171571* IRL: 1560 787911*

TAURUS 21 Apr-21 May

A welcome when you walk in the door at the end of the day may usually come from your cat, kids, partner or that tub of ice cream. But this week your past rocks up and wants to stay.

Who, what, how? Call me for more.
UK: 0905 8171562* IRL: 1560 787902*

VIRGO 23 Aug-22 Sep

Who cares what someone else said – you're not competing with them or anyone else, Virgo. All you're doing is being the best you can be, so just let everyone else get on with it.

Call me for some news on an ex.
UK: 0905 8171566* IRL: 1560 787906*

SAGITTARIUS 23 Nov-21 Dec

Your mate Mercury has two hats on – dealing with a romantic matter as well as a professional one. But both share one thing – there's no hiding from them. The advice: be brave and bold.

Loose ends need tying up. Call me.
UK: 0905 8171569* IRL: 1560 787909*

PISCES 20 Feb-20 Mar

It's something and nothing to some people, but you're not going to leave things be. That's why your boss or someone senior will notice you. Perfection is the name of the game, Pisces.

Call me for more on love dilemmas.
UK: 0905 8171572* IRL: 1560 787912*

GEMINI 22 May-20 Jun

You don't know it all, you're the first to admit, but you'll go and find out what's going on and you're prepared to change your mind – unlike some. New mates come, old ones go.

Call me for more on house moves.
UK: 0905 8171563* IRL: 1560 787903*

LIBRA 23 Sep-22 Oct

Introducing you to new people is easy – you're a social sort. But what do they have to say? It's not all fun and games as Venus and the Sun encourage life-changing messages to be passed on.

Love, career, money – call for more.
UK: 0905 8171567* IRL: 1560 787907*

CAPRICORN 22 Dec-20 Jan

What you're looking for is someone to come clean about their involvement in something that hasn't gone the way it should – but will you get it? You may still have your 'told you so' moment.

Call for more news on travel plans.
UK: 0905 8171570* IRL: 1560 787910*

ARIES 21 Mar-20 Apr

Some good news would be nice, wouldn't it? So what are you working on that needs the seal of success? Get creative – pushing boundaries brings results; doing nothing doesn't.

CANCER 21 Jun-22 Jul

There are some things you just can't do – or is it *won't* do? Someone's asking too much and you're correct to get fierce in the defence of your right to say no. Mean it, no matter what.

A new career beckons – call for more.

SCARLET *woman?*

The Scandalous Lady W
BBC2, 9pm, 17 August

Say hello to your new BBC period drama obsession! Meet Lady Seymour Worsley – a real life 18th century aristocrat, played by Game Of Thrones star Natalie Dormer. Passionate Lady W escapes a troubled marriage, but her husband Sir Richard (Shaun Evans) is having none of it and takes her to court because she's had an affair with his best friend Captain George Bisset (Aneurin Barnard). She then kick-starts a courtroom scandal when she chooses to expose the secrets of her unhappy marriage, which called women's rights into question. You go, girl!

Lady Worsley
causes a kerfuffle

SO SO SO *scandalous*

Lady W isn't the only screen lady with skeletons in the closet, you know...

Tanya Turner (Zöe Lucker),
Footballers' Wives & Bad Girls

How can we forget the ever-so-slightly evil Tanya? The drug-taking WAG joined the mile high club in one of TV's most graphic sex scenes ever. And she had three husbands – who all conveniently died.

Janine Butcher (Charlie Brooks),
EastEnders

From pushing first husband Barry Evans off a cliff to murdering her third hubby Michael Moon, Janine has an *actual* heart of stone. She was last seen leaving for Paris, but we're sure she'll be back one day.

Kathryn Merteuil (Sarah Michelle Gellar),
Cruel Intentions

Making a bet that her stepbrother Sebastian (Ryan Phillippe) won't be able to sleep with virginal Annette (Reese Witherspoon), Kathryn is a manipulative little madam. She even hides drugs inside her crucifix.

THE NOW SUMMER MOVIE SPECIAL

It's a huge week for blockbusters, so which should you go and see?

Trainwreck At cinemas 14 August

What it's all about? Comedian Amy Schumer wrote this hilarious film and stars in it as a journalist called, er, Amy. While she's a whole barrel of laughs, she finds it hard to believe in monogamy and won't let her guard down when she finally meets the right guy, doctor Aaron Connors (Bill Hader). Amy then sets off on a path of self-sabotage, but Aaron's got more faith in her than she realises. Watch out for Tilda Swinton as an evil magazine editor.

Best for: Anyone who's ever had a glass too many on a work night.

.....
This lot are worth a view, too...

The Man From UNCLE

At cinemas 14 August

What it's all about? This remake of the classic 60s TV show is very slick. Henry Cavill (yes, Superman) plays Napoleon Solo, a US agent on a mission to stop a criminal gang. Hugh Grant also stars.

Best for: Your dad, especially if he made you watch the reruns of the show in the 90s.

Mistress America

At cinemas 14 August

What it's all about? New York student Tracy (Lola Kirke) is rescued from her solitary life by her soon-to-be stepsister Brooke (Greta Gerwig). A series of madcap adventures ensue.

Best for: Sisters, BFFs, mums.

Absolutely Anything

At cinemas 14 August

What it's all about? Robin Williams' final film also reunites the surviving Monty Python cast. Teacher Neil (Simon Pegg) gets the ability to do, well, anything.

Best for: Anyone who's in need of some cheering up.

The twins found fame after they were spotted visiting their brother Tahj on the set of *Full House*

NOW

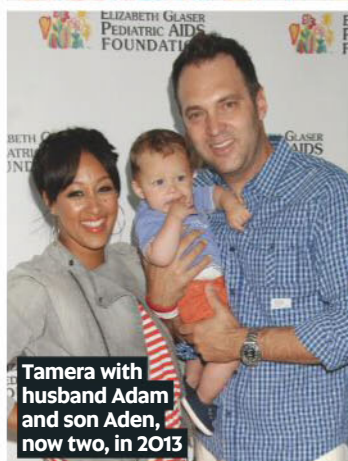

Whatever happened to....?

Tia & Tamera

With on-screen parents Tim Reid and Jackée Harry

Tamera with husband Adam and son Aden, now two, in 2013

Tia with husband Cory and son Cree, now four

Oh yes, the twins from *Sister Sister*!

Who can forget running home after school to watch sassy Tia Landry and Tamera Campbell on US sitcom *Sister Sister*? The show aired from 1994 to 1999 and we loved their fashion, their adventures and their fierceness. In the show, the girls – played by real-life identical twins Tia and Tamera Mowry – had been adopted separately at birth and found each other 14 years later. Tia lived in Detroit, where her adoptive single mother Lisa worked as a seamstress, while Tamera was the boy-crazy twin from the suburbs where her adoptive single father Ray owned a limo business. After an unexpected encounter in the department store, Ray reluctantly allowed both Tia and her mum to move into his home.

So what did they do afterwards?

Well, we sobbed into our cereal when the show came to an end, but for the girls it was time for something new. After a few bit parts, Tia had a starring role in US

comedy drama series *The Game*, starring as medical student Melanie Barnett Davis for six seasons from 2006. She's now the star of a show called *Instant Mom*. Tamera was in the Disney Channel movie *Twitches* in 2005 and sequel *Twitches Too* in 2007, then went on to play Dr Kayla Thornton on the medical drama *Strong Medicine*. She's also a host on daytime talk show *The Real*.

Their twin-union

The sisters reunited for their own reality TV show *Tia & Tamera on The Style Network* and then on E! from 2011 to 2013, where their fans got to share their journeys into motherhood and married life.

And in real life?

Now 37, they're both married. Tia wed actor Cory Hardrict after dating him for six years and they had a son Cree in 2011. Tamera married Fox News correspondent Adam Housley in May 2011. She gave birth to their son Aden in 2012 and they had a daughter Ariah earlier this year. Aww!

Little Marques went on to top the charts. Roger that!

What happened to their co-stars?

Remember their pesky pint-sized neighbour Roger Evans, who had a crush on both the twins? Well, Marques Houston, who played Roger, got all ripped down the gym and bagged himself a record deal – his band Immature even had a cameo on Destiny's Child single No, No, No. Marques went solo and topped the Billboard R&B charts in 2007 with a No 1 album called *Veteran*.
